With integrated North American manufacturing facilities and in-house engineering expertise, we can quickly customize our cabinets and enclosures to precisely meet the needs of your specific network ...

With 100kW PCS and 215kWh of LiFePO₄ battery storage, it delivers robust, efficient, and versatile energy management. This solution integrates advanced BMS and EMS technologies to provide real ...

3. With software programmable control, graphs of current, voltage, frequency, power factor, power can be displayed, saved and printed. Control mode: manual control (control panel) with remote control or ...

Engineered for high-capacity commercial and industrial applications, this all-in-one outdoor solution integrates lithium iron phosphate batteries, modular PCS, intelligent EMS/BMS, and ...

This fully integrated 100kW/215kWh system combines high-density battery storage with intelligent power management in a single, factory-assembled unit - delivering unmatched performance and reliability ...

This Energy Storage Hybrid PCS Cabinet: A versatile solution for industrial and commercial energy storage. Seamlessly integrates grid-connected and off-grid modes, with bidirectional ACDC and ...

liquid-cooled 100kW 232kWh lithium battery ESS Integrated Solar Power Cabinet, an advanced high-voltage energy storage solution designed for industrial and commercial applications.

THES38BA-100/215 air-cooled energy storage cabinet with 100kW/215kWh capacity. High-efficiency LFP system with >6000 cycle life for data centers, renewables, and backup power.

Robust 100kW, 690V AC-DC Rectifier Cabinet by Zekalabs. The unit boasts an efficiency of approximately 98.5%

100kW Communication Power Cabinet for Communication Equipment Room

Cabinet Racks, Communications Racks, 19-inch Server Racks, Equipment Racks. Made from welded steel or aluminum, and coming in many stocked sizes and styles, our selection of equipment racks ...

We provide tailored solar energy solutions for backup, residential, and commercial needs, catering to your unique power requirements. At HITEK ENERGY, your satisfaction is our top priority.
