About this item [Bifacial Technology] these 400W Bifacial solar panels feature a transparent backsheet design, allowing electricity generation from both the front and back, resulting ...

Thin film 400w double glass solar panel is flexible and lightweight, ideal for mobile and alternative uses. Each type is engineered to maximize energy output based on environmental conditions so they ...

These double-glass modules assembled with bifacial PERCIUM cells have capability of converting lights incident on their rear side into electricity on top of is being generated by the front side, making them ...

Shinefar Solar specialize in manufacturing PERC, N-type TOPCon, and HJT solar panel. Specializing in research and development of solar panel, on/off grid system and hybrid solar system . We devote ...

Module Dimensions: 1722#215;1134#215;30mm Weight: 25kg Glass: 2.0mm (0.08 inches),High Transmission, AR Coated Tempered Glass Back Glass: 2.0mm mesh glaze plating Frame: Silver Anodized ...

About this item [Bifacial Technology] these 400W Bifacial solar ...

The Double Glass Bifacial HJT Mono Half Cell PV-Module is a solar panel that generates electricity from both sides. It not only absorbs sunlight from the front side but also captures reflected light from the ...

Mono Half-cut single solar panel.10-year warranty for material and technology.25-year linear power output warranty. Saving logistics cost/Saving cable cost/Saving bracket cost/Saving labor cost.

KX 400W monocrystalline double glass 72 cells PERC dual glass transparent TUV BIS OEM single side/Bifacial solar panel 400watt

Discover the high-quality Felicity solar MSD120-400W Mono Half Cut Single or Double Glass Module. With first-class quality assurance and extensive certificates, this module has a 10-year warranty for ...
