About jiaxing bojia solar energy technology CO.,LTDJiaxing bojia solar energy technology CO.,LTD is located in haining zhejiang china s established in 2001,which has 9 years experienses in producing ...

BoJia engages in basic research and application research of photovoltaic technologies and do research in improvement of present processing and industrialization of new technologies.

With a strong presence in the solar industry, we design, manufacture and supply highly efficient and low cost effective monocrystalline and polycrystalline solar modules which confirms to IEC61215 and ...

JiaXing BoJia Solar Energy Science and Technology Co.,Ltd supply solar water heater, solar collector, solar power system, frame, stand, solar panel, photovoltaics on zctrade

Our polysilicon solar panels convert up to 19.5% of sunlight into electricity, ensuring long standby times. ?IP65 Waterproof & Widely Use?This solar lights outdoor waterproof are made of durable ABS ...

Solar panel Special solar panel design, just put the light under the sunshine for about 3-4 hours to make it fully charged. Not only simple but also economical.

New customer? Start here. Woot!

Company Introduction:Bojia integrates scientific research, production, sales, and processing together in one enterprise. The company has modern processing lines, precise instruments and a group of ...

We have Solar keymark,CE,CCC,ISO9001 certifitates. beause of very good price, good quality and very good after-sale service, our products have been exported to South Amercia,North Amercia,Europe, ...
