-----

The 545W Hi-Mo X10 Longi It is the maximum exponent of modern photovoltaic efficiency. Based on the revolutionary cell technology HPBC 2.0 and the wafer N-Type Tairay, This module reaches a record ...

Greentech Renewables sells LONGi Solar Panels and other solar equipment at the most competitive prices.

The LR5-54HPH panel has a power output of 435 Watts peak. It features mono white technology with a sleek black frame.

The LONGi LR5-54HPB-405M 405W Monofacial solar panel stands out with its innovative design and advanced features. Utilizing half-cell modules, it enhances power output while effectively reducing ...

LONGi module product model comparison to help you quickly make product selections.

As one of the most sought-after solar panels in 2025, this comprehensive guide examines everything you need to know about the LONGi 540W, from technical specifications to real ...

This panel takes full advantage of the Passivated Emitter Rear Contact (PERC) technology that allows it to capture up to 12% more energy. All thanks to a reflective layer on the back.

The LONGi 450 watt solar panel typically measures approximately 2100 mm in length, 1048 mm in width, and about 35 mm in thickness (82.7 x 41.3 x 1.4 inches). These dimensions reflect a modern, ...

Identification Brand LONGI Product Code LR5-72HTH-580W Design & Mechanical Specification Panel Type Bi-facial Panel Surface Standard Panel Weight 27.5 Kg Panel Length ...

The Longi 575 W Mono solar panel is a high-performance monocrystalline photovoltaic module designed to deliver strong energy output and dependable performance in diverse climates -- from hot summer ...
