PPA has outperformed most peers since 2005, drawing on its unique index construction. PPA maintains a 0.57% expense ratio and a modest dividend yield of 0.36%.

Because of this, PPA is an excellent option for investors seeking exposure to the Industrials ETFs segment of the market. There are other additional ETFs in the space that investors could...

Learn everything you need to know about Invesco Aerospace & Defense ETF (PPA) and how it ranks compared to other funds. Research performance, expense ratio, holdings, and volatility to see if...

Review the latest PPA Morningstar rating and analysis on the ETF to determine if it is the right investment decision for your goals.

Are you thinking about adding Invesco Aerospace & Defense ETF (NYSEARCA:PPA) to your portfolio? View an aggregated rating for this ETF and consensus ratings for companies held in this ETF

If you're interested in broad exposure to the Industrials - Aerospace & Defense segment of the equity market, look no further than the Invesco Aerospace & Defense ETF (PPA), a passively managed...

PPA is a top-performing Aerospace & Defense ETF that's outperformed the market by 5% since my August 2023 review. Fees are high at 0.58% but justified, given its superior strategy. Compared to...

PPA is a U.S. Aerospace & Defense ETF with an impressive long-term track record. Its expense ratio is 0.58% and the ETF has \$3.60 billion in assets under management. Positive defense spending...
