We are a leading wholesaler and distributor in the global photovoltaic industry, specializing in supplying a comprehensive range of high-efficiency solar modules.

Embrace the power of solar energy with LONGi, the global leader in monocrystalline solar panels. Discover their range of high-performing products.

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

As one of the most sought-after solar panels in 2025, this comprehensive guide examines everything you need to know about the LONGi 540W, from technical specifications to real ...

LONGi Solar specializes exclusively in monocrystalline products and was largely responsible for driving the solar industry back towards more efficient monocrystalline cells after ...

For residential installations, Longi provides sleek and aesthetically pleasing solar panels that can seamlessly blend into the ...

LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused exclusively on ...

LONGi Solar is the world's leading manufacturer of high-efficiency monocrystalline silicon wafers and PV modules. With advanced HPBC and PERC technology, LONGi delivers reliable, high-performance ...

LONGi Solar is a world leading manufacturer of high-efficiency mono-crystalline solar cells and modules. Shop and compare LONGi solar panels.

Longi monocrystalline silicon photovoltaic panel products

For residential installations, Longi provides sleek and aesthetically pleasing solar panels that can seamlessly blend into the roofline of any home. These panels are not only efficient but also ...
