Stay powered during outages with EcoFlow's home backup solutions, expandable capacity, fast charging, and long-lasting LiFePO₄ batteries, be outage-ready now.

Environmental Limitations Backup Power Pack Components Actual Usage and Planned Upgrades Those of us who live in houses have quite a few options ranging from installing a backup generator to using solar and wind power. On the other hand, condo-dwellers like myself mostly rely on the building to supply backup power. Higher-end condos often provide a few outlets in each unit that are hooked up to the building generator. Unfortunately, in...
