Cost of Solar Panel Cleaning by Location
Cleaning costs for your photovoltaic (PV) system fall between \$300 to \$635, but many factors can add additional costs. Professional roof cleaning companies charge a minimum of \$100 per service, regardless of how small your array is. On the other hand, a 40-panel array on a sprawling 5,000-square-foot home could set you back as much as \$1,100 per service. See more on roof cleaning companies.
